#### UNSHAKEN TESTIMONY

Time is the test of truth. And Doan's Kidney Pills have stood the test in Scotland Neck. No Scotland Neck resident who suffers backache, or annoying urinary ills can remain unconvinced by this twice-told testimony.

Johnson Allsbrook, Main Street, Scotland Neck, says: "My kidneys were in a weakened condition, I had pains across the small of my back, backaches and dizzy spells. I suffered for years this way and took one medicine after the other but seemed to get no relief and was getting worse all the time. Frequently I had to stop work. Doan's Kidney Pills were recommended to me and I decided to try them, getting my supply at the Whitehead Co.'s Drug Store. Doan's made me feel better from the first and soon I was entirely cured. I am a well man today and give Doan's Kidney Pills the credit."

FOUR YEARS LATER, Mr. Allsbrook said: "I can't recommend Doan's Kidney Pills too highly. I gladly confirm my former endorsement. Doan's made me well and I am well today."

By HARRY  
The parable of the Good Samaritan is applied to every day life in the principle of the Building and Loan Association.

Its reason for existence is the helping of American families of moderate means to secure homes of their own where they are forever freed of the bugbear rent paying—where they can dwell on year after year without fear of commercial conditions causing a boom in rent or of receiving notice to move as the property has been sold.

The Building and Loan Association is a mutual concern dividing its profits equally among its stockholders, investors and borrowers. How different from other savings institutions which neither divide equally with stockholders or permit borrowers to share in the profits.

It is the friend of the laboring man and a foe to the profiteer and every dollar invested in a Building and Loan Association at 6 per cent interest is a direct blow at the "hog of finance."

We took the "If" from "Thrift." HOME BUILDING & LOAN ASSOCIATION, Scotland Neck, N. C. "Earning Over 6 per cent on Your Savings." Adv 1:

#### BANQUET GIVEN

One of the most brilliant affairs of the early winter season was a banquet given Wednesday evening at the Tea and Token Shop in compliment to Mr. and Mrs. Norfleet O. McDowell who were recently married.

Dinner was served at nine o'clock, covers being laid for twenty-eight. The color scheme used throughout was pink and white. In the center of the long table was a basket of lovely white chrysanthemums with a decoration of pink ribbon. Surrounding the centerpiece were small pink baskets of white mints. The place cards were ornamented with pink rosebuds. A beautifully appointed four course dinner was served, during the progress of which informal and laughable toasts were given.

Those attending were: Mr. and Mrs. Norfleet McDowell, Mr. and Mrs. Robert Johnson, Mr. and Mrs. Clarence Parks, Mr. and Mrs. E. H. Leggett, Mr. and Mrs. Gavi Hyman, Mr. and Mrs. D.
